MEMORANDUM FOR: Acting Deputy Director for Administration
Legislative Counsel
General Counsel
Assistant to the DCI (Public Affairs)

FROM: John F. Blake
Acting Deputy Director of
Central Intelligence

SUBJECT: Monthly Cable "Director's Report to the Field"

1. As mentioned at the Director's Staff Meeting of 26 September, we are giving consideration to issuing a monthly cable "Director's Report to the Field." The purpose is to pass on to the field information which is readily available at Headquarters but somewhat difficult to come by in the many remote areas at which our people serve. We would see a format which had information on relations with the Congress, developments in the Executive Branch, significant press and public relations matters, etc.
